

**NATIONAL UNIVERSITY
COLLEGE OF COMPUTING AND
INFORMATION TECHNOLOGIES**

March 3, 2026

Reignite Cyber Solutions Inc.

14 Domingo M. Guevara, Mandaluyong, 1550 Metro Manila

Dear Reignite Cyber Solutions:

As a requirement of the Computer Science program at National University, students must undergo internship for 400 hours for one (1) term. The main objective of the internship program is to expose students to actual scenarios and real-life applications of the principles and concepts learned inside the classroom.

In this regard, we would like to recommend Miguel Raphael Layos, a BS Computer Science student, for internship with your company. Mr. Layos has completed at least 70% of the required academic units and is expected to graduate within the academic year. The opportunity for Mr. Layos to work with you will allow him to apply what he has learned and will expose him to the actual workplace environment. Attached is his resumé for your reference.

Should you have any questions, please feel free to get in touch with us through our landline, +632 7121900 loc 1456, or through email, nuccit@national-u.edu.ph.

We are looking forward to being your partner in producing graduates who can make positive contributions to the industry.

Thank you.

Very truly yours,

Julie Anne A. Crystal
Internship Coordinator
